MEDIA RELEASE

For Immediate Release

Bombay Metrics Supply Chain Wins ET Top-Performing Listed Indian SME award at ET MSME Awards 2022

Mumbai, India, Thursday, March 09, 2023: Bombay Metrics Supply Chain Limited is a leading full-service provider of global manufacturing, engineering and supply chain management services, is proud to announce that the Company has been awarded the prestigious Economic Times (ET) Top Performing Indian SME Award 2022 on March 03, 2023.

The ET Top Performing Indian SME Award recognizes small and medium enterprises in India that have demonstrated exceptional performance in terms of revenue growth, profitability, and market share. The award is a testament to the hard work and dedication of Bombay Metrics Supply Chain's employees, who have worked tirelessly to deliver innovative and efficient supply chain solutions to customers across various industries.

Commenting on the award, **Mr. Nipul Keniya, the Chairman & Managing Director of Bombay Metrics Supply Chain**, said, "*We are honored to receive this award from the Economic Times. It is a testament to the dedication and hard work of our team, who have played a key role in our success. We are committed to delivering exceptional value to our customers and look forward to continuing our growth trajectory in the coming years.*"

Bombay Metrics Supply Chain has been at the forefront of providing innovative supply chain solutions to customers across various industries. The company's services include logistics management, inventory management, warehousing, and transportation management. Its customer-centric approach has helped it build long-lasting relationships with clients, who have come to rely on the company's expertise and reliability.

The ET Top Performing Indian SME Award is a recognition of Bombay Metrics Supply Chain's commitment to excellence and customer satisfaction. The company remains focused on delivering innovative and efficient supply chain solutions to customers across India and beyond.

About Bombay Metrics Supply Chain Limited:

Bombay Metrics Supply Chain Limited (BMSCL) is a full-service provider of global manufacturing, engineering and supply chain management services to and from India. The primary focus of the company remains to support the “Make in India” governmental initiative by developing supplier capabilities in India. BMSCL also offers efficient services in advanced engineering, 3D scanning, rapid prototyping, flow simulation, project management and quality management in India. The company partner with sales organizations in North America, Europe and China. BMSCL helps its customers understand the benefits and savings of global manufacturing and help many OEMs and Tier-1 customers manage their entire manufacturing and supply chain processes.
